Housing needed for a Goshen College student from India who has just received a summer internship at the Center for Budget and Policies Priorities in DC. She is on a very tight budget with limited funds to pay for housing, but is hopeful that something can be worked out so she can take advantage of this opportunity. If you can help or know of someone who might, please contact the church office.

A recent EMU grad is seeking affordable housing close to a metro for the summer and possibly longer. Please contact the church office if you want more information or contact the student
