

Carol to extend hospitality to Emeka (about three blocks north of the Church on Baltimore Avenue).

The Cyprus Friendship Program (CFP) needs host families for two to four weeks in July. CFP is an all-volunteer program that brings together Turkish and Greek Cypriot teenagers (ages 15-17) for leadership and peacemaking. Requirements are a bedroom for either two boys or two girls to share and an adult who is at home during the day to bring them to activities and welcome them into the life of your family. Contact Mike or Amanda Messinger (mikem@cyprusfriendship.org) to host. Visit www.cyprusfriendship.org for details about the program. See the bulletin board for more info.

My cousin is living with us this summer and looking for babysitting/nanny jobs. She will be starting her senior year at EMU in the fall and has a lot of experience with child care. If you are interested, please contact: Taylor Swantz, teswantz@gmail.com. Thanks! --Mira Grieser

During our time at the UPCOB location, the bulletin board and shelf space at the back of the sanctuary on the left hand side will be for our use.

ANNOUNCEMENTS

A warm welcome to Justin Yoder who will be interning with us this summer through the Ministry Inquiry Program. Justin is a rising senior at Goshen College (read more about him in the May issue of the HYMN). He is staying with Dawn Longenecker and

Jim Rice and is eager to meet the congregation. Feel free to invite him for coffee or a meal sometime in June or July.

Prayer Cards. If you would like to share a prayer request in writing rather than verbally during the service, please find cards at the end of the pews with the songbooks. You can place the cards in the box labeled "prayer requests" on the back shelf.

June 10 -- Adult ed forum: Sustainable homes and communities — 9:30 a.m. Chuck Wilson, program director for STEP UP (Small Town Energy Program) will present. This program, which has funded energy audits and improvements in homes in University Park, is expanding into the neighboring communities beginning this summer. As the Sunday school year draws to a close, we'll be recognizing the offering project for children this year, which has been raising money for response after the tsunami and nuclear plant crisis in Japan. These events sparked increased sensitivity among many to the hazards of nuclear energy production. The imperatives of faith invite us to renewed efforts toward responsible use of energy in our homes and communities. Chuck will be sharing about the steps being taken among neighbors as we care for the Earth and its people.

June 10 fellowship meal: June's fellowship meal will be the end of year celebration for Sunday school. This year's offering has gone to the Japanese earthquake and tsunami relief fund. As a way of tying this together with the focus of the children's Sunday school year, we will be featuring an Asian food theme — Japanese specifically or other Asian food. Please look up your favorite Asian recipe and bring plenty to share.

Asylum Seekers Housing Network, run by the North Baltimore Mennonite Church, is housing a young man, Emeka, from Nigeria with Carol Nezzo, an occasional attendee at HMC. Emeka will be with Carol, who lives in University Park, for one more week. Carol says: Emeka is very helpful around the house and yard. Right now I think he needs friends. Someone inviting him to their house for a meal or taking him to an event would be great. Please contact
