ANNOUNCEMENTS

Prayer Cards: If you would like to share a prayer request in writing rather than verbally during the service, please find cards and the prayer card box on the literature table in the foyer. Members of the Pastorate hold your joys, concerns, and sharings in prayer, both those shared verbally during the service and in writing.

Sunday School: Today is the last day for Sunday School until it resumes September 8. Enjoy the summer off!

Safe Congregation Training: We have rescheduled the HMC safe congregation training that was unfortunately cancelled last month to a new date: Sunday June 23 from 9-10 a.m. The training is designed for adults who care for children, to build basic safety skills that can help children stay safe, act wisely, and believe in themselves. This is one requirement of our new HMC "Safe Congregation" policy. Over the next year we'll phase in this policy, which means that soon the training will be required for all staff and adults who work with children (Sunday School teachers, youth sponsors, etc). This is your chance to be on the cutting edge and get the required training ahead of schedule! Please RSVP to Jake Short and let him know if childcare is needed.

June 9 Joint Service and Fellowship Meal with UPCoB: The service will be led by the junior and senior high youth. Let's celebrate our love of children by bringing foods to the fellowship meal the special children in your life love to eat or you loved to eat as a child. We will also have games and activities that children like to play, so come join in the fun.

2012-2013 Children's Offering: The children's Sunday School offering this year has gone to Church of the Brethren's Children's Disaster Services (CDS). Their volunteers are specially trained to respond to traumatized children, by providing a calm, safe, and reassuring presence in the midst of the chaos created by tornadoes, floods, hurricanes, wildfires, or any other natural or human-caused disaster.

HMC Greens: The HMC Greens environmental group will gather in the foyer during the fellowship meal next Sunday, June 9, to discuss various future events and group activities. All are welcome to join.

Anacostia River Tour: The HMC Greens invite you to a hands-on service-learning tour of the Anacostia River. You'll hear firsthand stories from local residents and health experts, partake in prayer and discussion, and have the option of engaging in direct service opportunities. Tours are
