### ANNOUNCEMENTS

**Home Energy Workshop at HMC:** Are you a homeowner? Professional weatherization could save you 15-35% in home cooling costs this summer! The HMC Green Committee invites you to learn how to reduce your energy use and save money, but the best part is that we can act out our values and take care of God's creation at the same time! By joining together in this process, we can also access deep discounts on energy efficiency upgrades and support local, socially-conscious businesses. Join us after church TODAY at 12:30 p.m. for an informational meeting in the basement with a representative from Interfaith Light and Power.

**Associate Pastor Candidate Vote:** The congregation will have the chance to vote on the candidate for associate pastor in person next Sunday, July 28, after which the tally will be totaled and announced. If you are unable to be present for the physical vote, an email was sent out earlier this week with a link for those wishing to vote electronically; the electronic voting is available through July 27. For more information, contact Becca Walawender.

**Safe Congregations Fall Trainings:** Please save the dates below for upcoming annual Safe Congregation Training opportunities to be held in the fellowship hall. These trainings are designed for children
