**HMC Greens:** This fall, Hyattsville Mennonite Church worked with non-profit Groundswell and their partners, like Interfaith Power & Light, to negotiate for clean electricity an affordable price. Thanks to the purchasing power of a large group, Groundswell secured a price for 100% wind energy from Clean Currents that is 5-10% less than the standard price most residents pay PEPCO or BGE for dirty energy! Between now and November 22nd, both renters and owners can switch their home or apartment to clean energy through this negotiated offer and save money on their utility bills. Fixed rates, no hidden fees, no cancellation fee if you move, and still receive the same monthly bill from PEPCO or BGE. Join a movement of residents who are using their collective purchasing power to save money and create a better future. To take action, fill out the digital
