Scripture Garden Banner: This summer, as part of the 12 Scripture Project, we will be creating a scripture garden banner. In the same way the words of Jesus were written into the shapes of many faces for our "Faces of Jesus" banner, this summer you have the opportunity to write your favorite scriptures into the shape of plants, flowers or vegetables on squares of fabric which will be put together to make a series of scripture garden banners. Don't feel up to the task of drawing your favorite fruit or vegetable? Sara Person has created some templates that already have drawings of plants and such on them and are ready to just write scripture around the pre-made shapes. Blank swatches are also available if you want to design your own. If you missed picking up a swatch of fabric and some markers last week, supplies will be available again today for you to work on at home, and then bring back to be added to the banner.

Hymn Sing: As Mennonites we have a long lastly tradition of singing our way through conflict, struggle, happiness, and joy. On July 6th we will have a time to engage with this community's story through song. I invite you to participate
