Report Update on Support for Syrian Refugee Family: The HMC Refugee Support Group has been working with a Syrian refugee family in Riverdale: a single mother and two sons in their twenties. They have been in the U.S. since October 2016, and three years in Jordan before that. The older son was trained in civil engineering/surveying and recently got a surveyor job. Now he is looking for a used car to get to work. The younger son is a baker, with specialties in baklava and mamou; the mother cooks various vegetable and meat dishes. They wish to pursue catering or home/personal chef work for income, and are in need of a stand-up mixer. All are taking English classes and would find a TV helpful to hear spoken English. If you can help, contact Cathy Kerst [REDACTED] or Mardi Hastings [REDACTED]
