O breathe on me, O breath of God

until my heart is pure;
until my will is one with yours,
to do and to endure.

Reflection Time

hosted by Michelle Burkholder

What was your experience in the past week with earth?

You will be unmuted and can take turns sharing your experiences of paying attention to life giving earth.

Creation Revealing Christ Visual Scavenger Hunt:

In the weeks ahead you are invited (or consider yourself challenged if that feels more inspiring!) to explore a scripture specific nature theme for the week ahead by taking pictures of where and how you are encountering and interacting with that bit of creation.

This week's theme is: *Air*

Take and share pictures of air in your living this week – air is all around us, yet is hard to actually see. We breathe it in and out. We watch trees sway in response to it. We play with it when we fly kites and blow bubbles. Feel it around you this week and find creative ways to picture it.

Take pictures of earth this week and submit them to Michelle:

Email: mburkholder@hyattsvillemennonite.org

Text: [443.803.5371](tel:443.803.5371) (if you have never texted me before please also identify yourself!)

Michelle will post submissions to the HMC Facebook page and will also make a digital album to share with the community at the end of the week.
