## Gathering for Worship

Prelude

### Praising

Call to Worship

We are a community called to reconciliation,  
to reconcile people to God and to each other.

**We are a community called to reconcile the peoples of our world  
through peacemaking, through justice, through action, through prayer.**

We are a community called to reconcile ourselves to each other  
through listening, through patience, through honesty, through courage.

**We are a community called to reconcile our environment  
through sustainable creation care throughout the earth,  
purposefully and persistently transforming our own back swamp.**

***Together we live into the audacity of faith,  
fostering peace and nonviolence as we help build a church  
and a world free of racism, oppression, and poverty.***

Hymn: 42 – *Could It Be That God Is Singing*

### Confessing

Confession

We have not always sought reconciliation.

**We have not always found the strength to face reality.**

**We have not always acknowledged the harms that we have done.**

**We have not always felt for the other.**

(Silence)

But we are beloved.

**We can be transformed and reconciled. We can grow and be made whole.**

Hymn: 391 – Ososo
