Call to Worship

One: To worship is to stand in awe under a heaven of stars, before a flower, a leaf in sunlight, or a grain of sand;

Many: To worship is to be silent, receptive, before a tree astir with the wind, or the passing shadow of a cloud.

One: To worship is to work with dedication and with skill; it is to pause from work and listen to a strain of music.

Many: To worship is to sing with the singing beauty of the earth; it is to listen through a storm to the still small voice within.

ALL: Worship is the mystery within us reaching out to the mystery beyond.

Hymn: 98 – *Immortal, Invisible*

Confessing

Confession

The world around us is full of fear,

Our lives shake with quakes of doubt and insecurity.

The nation totters,

Our leaders embrace autocracy.

The community is in an uproar;

Our neighbors are taken without warning.

The enemies of love are all around us;

We are overwhelmed by hate, lost in the waves and tumult of suffering.

Words of Assurance

God is in the midst of the city,

God is our refuge and strength, a very present help in trouble.

God makes wars cease, breaks the bow, and shatters the spear,

God is our refuge and strength, a very present help in trouble.

God brings down the powerful and upholds the oppressed,

God is our refuge and strength, a very present help in trouble.

Be still and know that God is with us,

God is our refuge and strength, a very present help in trouble.

Hymn: 37 – *Be still and know*
